Notes
Review your Degree Progress Report (DPR) in your Student Center, meet with your Major Department Advisor for major coursework, and meet with an Academic Advisor in SSC 220 to review General Education (including Writing Intensive "WI" and Capstone "Z") and Graduation requirements.

It is recommended that you meet with your major advisor early in your academic career and every semester.

Complete a minimum of 4 Writing Intensive (WI) courses—one will be met by your Written Communication Course and one by your Capstone Course; select 2 additional WI courses.

Select a GE Capstone Course in your Upper-Division Pathway, or substitute an approved Major Capstone course from the GE Capstone Requirement.

Consider meeting the United States Diversity and Global Cultures requirements within GE courses.

Apply to graduate one year before anticipated graduation date. Priority registration is guaranteed your final semester if you applied for graduation by the stated deadline.
