UNIVERSITY POLICIES

California State University, Chico wants you to be aware of the following policies and issues, which affect you and the quality of life in our community. Please take the time to read and consider carefully the full implication and intent of these policies. You are expected to abide by them and contribute to your own well-being and that of this University by paying careful attention to them.

Chico State has a moral responsibility to maintain an environment that is nurturing, encourages intellectual growth, and fosters mutual respect among cultures and individuals resident on our campus.

Any Chico State student or applicant for admission to Chico State has the right to be free from discrimination, harassment, and retaliation. Executive Order 1097 (https://csuchico.edu/pres/em/2007/07-009.shtml/) outlines the process for inquiries and investigation and for filing such complaints. Students/applicants with concerns or complaints should contact the Title IX/DHR Administrator, KNDL 220, 530-898-4949.

Information on complaint and/or grievance procedures is available from the office of Student Conduct, Rights, and Responsibilities (http://www.csuchico.edu/student-conduct/rights-and-responsibilities/), SSC 190, 530-898-6897.

Policy on Nondiscrimination and Affirmative Action in Employment and Education

Chico State establishes this policy in recognition of its educational mission, its social concerns, its responsibility for the personal development of individuals, and its concern for the rights of individuals.

Chico State will comply with federal and state regulations relating to affirmative action and nondiscrimination obligations. The University will provide equal opportunity in education and employment for all qualified persons; prohibit illegal discrimination based on age, race, religion, color, ethnicity, national origin, sex/gender, gender expression, gender identity, sexual orientation, disability, genetic information, marital status, military or veteran status, or disability; and promote the full realization of equal education and employment opportunities through a positive and continuing program of affirmative action for the University as a whole and for each constituent unit.

This policy governs all University educational and employment practices and procedures, including but not limited to, recruitment, employment, enrollment, rate of pay or other compensation, advancement, reclassification, promotion, financial aid, demotion, renewal, non-renewal, termination, dismissal, transfer, layoff, leave, training, employee benefits, grading and program access.

It will be a violation of this policy to dismiss, discharge, expel, penalize, discipline, harass, adversely alter academic grades or otherwise discriminate or retaliate against any student, faculty, or staff member because the person has opposed a discriminatory practice, filed an internal or external complaint of discrimination, or testified or participated in any proceeding in accordance with this policy.

Responsibility and authority for the dissemination and implementation of this policy lie ultimately with the President of the University with the support of University administrators, faculty, and staff and with assistance from the Associate Vice President for Staff Human Resources. Practically, the responsibility and authority to act affirmatively to provide equality of opportunity in education and employment lie with all who are in decision-making positions within the University. Support for the University’s affirmative action policy will be considered in the annual evaluation of administrators and supervisors. The University will commit appropriate resources and create a supportive atmosphere for the implementation of this policy.

Campus Behavior and Violence Prevention

The University has zero tolerance for and prohibits violence or threats of violence against any member of the University community.

Violent acts or threats of violence by any University employee or student are subject to disciplinary action up to and including dismissal from employment, expulsion from the University, and civil or criminal prosecution, as appropriate. Disciplinary action shall be conducted in accordance with appropriate University policies and procedures (EM 12-025 (http://www.csuchico.edu/prs/EMS/2012/12-025.shtml/)).

California Whistleblower Protection Act

Employees, former employees, and applicants who wish to report alleged improper governmental activity or retaliation for having made a protected disclosure under the California Whistleblower Protection Act may contact the Associate Vice President for Staff Human Resources at 530-898-6771 or the Vice Chancellor of Human Resources at 562-951-4501, or otherwise access information on the Chico State website on whistleblower complaints (https://www.csuchico.edu/hr/eodr/whistleblower.shtml/).

Access and Academic Rights

Chico State is committed to achieving improved access to the educationally or economically disadvantaged and to providing academic development opportunities as an integral component of its mission.

Accessibility and Nondiscrimination Policy Regarding Individuals with Disabilities

Chico State is committed to the full inclusion of individuals with disabilities in all educational and operational aspects of campus life. In accordance with Sections 503 and 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, Chico State adopts this policy of nondiscrimination to ensure that any person with a disability will not, on the basis of that disability, be denied access to or enjoyment of any program, service, or opportunity provided by the campus (EM 07-009 (https://www.csuchico.edu/prs/em/2007/07-009.shtml/)).

It is a violation of this policy to dismiss, discharge, expel, penalize, discipline, harass, adversely alter academic grades, or otherwise discriminate or retaliate against any student, faculty, or staff member because they opposed a discriminatory practice, filed an internal or external complaint of discrimination, or testified or assisted in any proceeding in accordance with this policy.

Student Rights and Responsibilities

Students’ rights and responsibilities are discussed in the policy on Time, Place, and Manner of Expression (EM 20-006 (https://www.csuchico.edu/prs/em/2020/20-006.shtml/)) and the Code of Student Rights and Responsibilities (EM 08-040 (http://www.csuchico.edu/prs/EMS/2008/08-040.shtml/)), which delineate standards and policies of mutual respect and behavior.

Inappropriate conduct by students or applicants for admission is subject to discipline as provided in sections 41301 through 41304 of Title 5,
California Code of Regulations. Although describing a broad range of behavior, this also includes willful obstruction of on-campus activity, infringing on the rights of members of the University community, or conduct that threatens the health or safety of any person in the University community. In addition, the Code of Student Rights and Responsibilities describes informal and formal opportunities for due process in the case of student discipline. For these documents and more information, visit or call Student Conduct, Rights, and Responsibilities (http://www.csuchico.edu/scr/), SSC 190, 530-898-6897.

### Academic Integrity

Students are expected to maintain a high standard of academic integrity (EM 18-011 (https://www.csuchico.edu/pres/em/2018/18-011.shtml/)). If you are unclear about a specific situation, ask your instructors. They will explain what is and is not acceptable in their classes.

If a student is thought to be cheating and charges are brought, the process can result in severe consequences, ranging from failure in an individual course to long-term suspension from the University and denial of a degree.

Academic dishonesty, generally, is taking credit for work that is not your own, or attempting to receive credit or improve a grade through fraudulent or deceptive means. Examples include taking information from or providing information to another student, plagiarism, or altering a grade or record.

Copies of the Code of Student Rights and Responsibilities and answers to questions about academic honesty may be obtained from Student Conduct, Rights, and Responsibilities (http://www.csuchico.edu/scr/), SSC 190, 530-898-6897.

### Student Complaint/Grievance Procedures

Students who believe they are victims of unfair policies or practices at Chico State may bring their concerns to Student Conduct, Rights, and Responsibilities (http://www.csuchico.edu/scr/), SSC 190, 530-898-6897. The office is available to provide students the opportunity to resolve problems arising from actions taken on behalf of Chico State in a fair, uniform, and orderly manner. Most student complaints can be resolved on an informal basis by the office. Should the situation be unresolvable through informal means, the student may invoke formal grievance proceedings (EM 20-013 (https://www.csuchico.edu/pres/em/2020/20-013.shtml/)).

The California State University takes complaints and concerns regarding the institution very seriously. If you have a complaint regarding the CSU, you may present your complaint as follows:

1. If your complaint concerns CSU’s compliance with academic program quality and accrediting standards, you may present your complaint (http://www.wascasenor.org/comments/) to the Western Association of Schools and Colleges. WASC is the agency that accredits the CSU's academic program. If you believe that your complaint warrants further attention after you have exhausted all the steps outlined by WASC, you may file an appeal with the Assistant Vice Chancellor, Academic and Student Affairs at the CSU Chancellor's Office.

2. If your complaint concerns an alleged violation by CSU of any law that prohibits discrimination, harassment, or retaliation based on a protected status (such as age, disability, gender (or sex), gender identity, gender expression, nationality, race or ethnicity (including color or ancestry), religion or veteran or military status), you may present your complaint as described in the CSU Nondiscrimination Policy.

3. If your complaint concerns an alleged violation by CSU of other state law, including laws prohibiting fraud and false advertising, you may present your complaint to Student Conduct, Rights, and Responsibilities at sccr@csuchico.edu. The president or designee will provide guidance on the appropriate campus process for addressing your particular issue.

4. Other complaints regarding the CSU may be presented to the campus dean of students, who will provide guidance on the appropriate campus process for addressing your particular issue.

This procedure should not be construed to limit any right that you may have to take action to resolve your complaint.

### Privacy Rights of Students in Education Records

The federal Family Educational Rights and Privacy Act (https://www.csuchico.edu/registrar/ferpa/index.shtml/) of 1974 (20 U.S.C. 1232g) and regulations adopted thereunder (34 C.F.R. 99) set out requirements designed to protect students’ privacy in their records maintained by the campus. The statute and regulations govern access to certain student records maintained by the campus and the release of such records. The law provides that the campus must give students access to most records directly related to the student, and must also provide opportunity for a hearing to challenge the records if the student claims they are inaccurate, misleading, or otherwise inappropriate. The right to a hearing under this law does not include any right to challenge the appropriateness of a grade determined by the instructor. The law generally requires the institution to receive a student’s written consent before releasing personally identifiable data about the student. The institution has adopted a set of policies and procedures governing implementation of the statute and the regulations. Copies of these policies and procedures may be obtained from the Office of the Registrar, SSC 110, or Office of the Registrar 400 West First Street Chico, CA 95929—0720

Among the types of information included in the campus statement of policies and procedures are:

1. the types of student records maintained and the information they contain;
2. the official responsible for maintaining each type of record;
3. the location of access lists indicating persons requesting or receiving information from the record;
4. policies for reviewing and expunging records;
5. student access rights to their records;
6. the procedures for challenging the content of student records;
7. the cost to be charged for reproducing copies of records; and
8. the right of the student to file a complaint with the Department of Education.

The Department of Education has established an office and review board to investigate complaints and adjudicate violations. The designated office is:
Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, D.C. 20202-5920.
The campus is authorized to provide access to student records to campus officials and employees who have legitimate educational interests in such access. These persons have responsibilities in the campus’s academic, administrative or service functions and have reason for accessing student records associated with their campus or other related academic responsibilities. Student records may also be disclosed to other persons or organizations under certain conditions (e.g., as part of the accreditation or program evaluation; in response to a court order or subpoena; in connection with financial aid; or to other institutions to which the student is transferring).

**Military Selective Service Requirement**

The federal Military Selective Service Act (the “Act”) requires most males residing in the United States to present themselves for registration with the Selective Service System within 30 days of their 18th birthday. Most males between the ages of 18 and 25 must be registered.

Selective Service registration forms are available at any U.S. Post Office, and many high schools have a staff member or teacher appointed as a Selective Service Registrar. For more information on the Selective Service System and to initiate the registration process, visit the official Selective Service System website (https://www.sss.gov/).

**Student Organization Policy**

The Student Organization Policy does not supersede regulations set forth by federal, state, or trustee action, nor impede any additional restrictions or criteria from being implemented by the University. The University President maintains the right to withhold recognition and modify the policies governing recognition.

Student organizations benefit from the use of University facilities, equipment, services, and resources and participation in University activities and programs. Recognized organizations are eligible for funding from the Activity Fee Fund and the Student Program Committee following established procedures.

Complete copies of policies relating to the recognition of student organizations are available from Student Life and Leadership, BMU 220, 530-898-5396, or online via the Student Organization Policy (https://www.csuchico.edu/sll/organizations/policies.shtml/) link.

**Student Travel Policy**

Students engaged in University-sponsored group activities (such as forensics, musical groups, athletics) will advise their instructors of their anticipated absences associated with the activity as early as possible in the semester and of any unscheduled absences as soon as those are known. Early in the semester, advisors for student-related University-sponsored activities must impress upon their students the necessity of advising faculty about the possibility of anticipated/unanticipated absences. Faculty, appropriately notified, will clearly identify for students the consequences of absences in the evaluation process and will provide students with the opportunity to make up the missed coursework and assignments, when possible.

**Faculty and Student Relations**

A University employee shall not enter into a consensual relationship with a student or employee over whom the University employee exercises direct or otherwise significant academic, administrative, supervisory, evaluative, counseling, or extracurricular authority. In the event such a relationship already exists, each campus shall develop a procedure to reassign such authority to avoid violations of policy. This prohibition does not limit the right of an employee to make a recommendation on the personnel matters concerning a family or household member where the right to make recommendations on such personnel matters is explicitly provided for in the applicable collective bargaining agreement or MPP/confidential personnel plan.

**Anti-Sexual Harassment Policy**

Sexual harassment is prohibited at Chico State. Students, faculty, and staff may file complaints with the Title IX Coordinator if they believe they have been sexually harassed. If violations of the policies prohibiting such discrimination or harassment are determined to have occurred, violators of the policies are subject to appropriate disciplinary action ranging from written or oral reprimand to dismissal or expulsion. Nothing in these policies is meant to preempt or foreclose the pursuit of remedies that may be available to persons alleging sexual harassment under applicable state and federal statutes and regulations.

Sexual harassment subverts the mission of the University by interfering with academic or work performance; by creating an atmosphere of intimidation and hostility; and by undermining respect for the University, the individuals who constitute its community, and its degrees and scholarship. (Excerpts from the policy follow, see Executive Order 1096 (https://calstate.policystat.com/policy/6743499/latest/) and Executive Order 1097 (https://calstate.policystat.com/policy/8453516/latest/) for the full text.)

Responsibility and authority for the dissemination and implementation of these policies lie ultimately with the Chancellor’s Office and with the President of the University with the support of University administrators, faculty, and staff and with assistance from the Title IX Coordinator. The Title IX Coordinator is responsible for providing information and resources as well as for initiating investigations when a complaint is brought forward and for monitoring campus compliance relating to sexual harassment issues. Questions or concerns regarding sexual harassment issues, complaint procedures, or sexual harassment-related issues may be directed to the Title IX Coordinator (KNDL 220, 530-898-4949).

**Sexual Misconduct Policy**

Chico State endeavors to provide an environment conducive to growth in mind, spirit, and human community and preclusive to

Sexual misconduct is any sexual activity engaged in without first obtaining affirmative consent from the other party to the specific activity, whether or not the conduct violates any civil or criminal law, and regardless of whether the person knows the assailant(s) casually, intimately, or not at all.

Students, faculty, and staff may file complaints of sexual misconduct with the Title IX Coordinator. If violations of the policies prohibiting sexual misconduct are determined to have occurred, violators of the policies are subject to appropriate disciplinary action ranging from written or oral reprimand to dismissal or expulsion. Any form of sexual misconduct may be investigated for possible disciplinary and legal action regardless of when the incident occurred or whether the incident occurs on or off campus.

Students, staff, or faculty wanting more information about the sexual misconduct or affirmative consent policy may contact the Title IX office at titleix@csuchico.edu or at 530-898-4949. Use of Computing and Communications Technology

The Policy on Use of Computing and Communications Technology (EM 97-018 (http://www.csuchico.edu/prs/EMs/1997/97-018.shtml/) and EM 07-001 (https://www.csuchico.edu/pres/em/2007/07-001.shtml/)) set forth users’ rights and responsibilities and are designed to address related access, use, and privacy issues in a way that meets the University’s legal responsibilities, assures the maintenance of the campus network systems, and treats the campus community with respect. The policies include all systems/resources for both local departmental and central University-wide facilities and apply only to institutional data and equipment. This policy assumes as a condition of using the exercise of common sense, common courtesy, and respect for the rights and property of the University and other users. Computing Use and Netiquette (http://www.csuchico.edu/ires/policies/netiquette.shtml/) provides a list of important topics regarding University policies.

All research projects which involve human participants must be reviewed for adherence to ethical guidelines as outlined in departmental and University policies (EM 93-004 (https://www.csuchico.edu/pres/em/1993/93-004.shtml/)). No research involving human subjects will be conducted until a review of the project has been carried out and written approval given. CSU Interim COVID-19 Vaccination Policy

Entering CSU students are required to present proof of the following immunizations to the CSU campus they will be attending before the beginning of their first term of enrollment.

All individuals who access campus/programs must be fully vaccinated against the COVID-19 virus, as defined by this policy, subject to the terms and limited exemptions described in this policy, as well as comply with other safety measures established on each campus. The COVID-19 News and Information website (https://www.csuchico.edu/coronavirus/index.shtml/) contains the latest information at Chico State.

A student may be exempted from the vaccine requirement in this policy by:

• Medical exemption: due to a medical (including mental health) condition for which an approved vaccine presents a significant risk of a serious adverse reaction. Any medical exemption must be verified by a certified or licensed healthcare professional.
• Religious exemption: due to either (1) a person’s sincerely held religious belief, observance, or practice, which includes any traditionally recognized religion, or (2) beliefs, observances, or practices which an individual sincerely holds and that occupy a place of importance in that individual’s life, comparable to that of traditionally recognized religions.

Proof of Immunization

To avoid a hold being placed on your registration that may result in delays or denial of access to registration, you must secure proof of immunity and be prepared to present it as required to the Office of the Registrar inside the Student Services (SSC) 110. Proof of immunizations may be obtained from your high school records, personal physician, your county health department, or the WellCat Health Center (https://www.csuchico.edu/healthcenter/index.shtml/) on campus. See CSU Immunization Requirements (https://catalog.csuchico.edu/undergraduate-requirements/admissions-undergraduate/#immunizationrequirements) for more details.

Alcohol Policy

The possession, consumption, or transportation of alcoholic beverages on the Chico State campus or in campus-owned facilities is generally prohibited as a matter of institutional policy. However, it may be permitted on special occasions, such as awards ceremonies, receptions, periodic fundraisers for campus programs, or as approved by University Public Engagement and Office of Risk Management. More information can be found at University Public Engagement (http://www.csuchico.edu/upe/).

All members of the campus community have a stake in ensuring that alcohol is used only in a responsible matter. This policy focuses on alcohol use in moderation by persons age 21 and over and addresses legal liabilities.

For those residing on campus, University Housing has its own Policy Guide, which states that use, possession, manufacture, and distribution of alcoholic beverages is prohibited in and around University Housing communities. Public intoxication and possession collection of alcohol containers or paraphernalia are also prohibited. Students in violation could face educational sanctioning, punitive sanctioning, and even possible termination of a student’s Housing License Agreement. For complete information check with University Housing (http://www.csuchico.edu/housing/) at 530-898-6325.

No student-sponsored group or organization may expend any Associated Students Activity Fee funds for the purchase of alcoholic beverages. For information on the University alcohol policy, contact University Public Engagement (http://www.csuchico.edu/upe/) at 898-5917.

Drug Policy

The Code of Student Rights and Responsibilities (EM 08-040 (http://www.csuchico.edu/prs/EMs/2008/08-040.shtml/)) states “Students as members of the academic community accept both the rights and the responsibilities incumbent upon all members of the institution.” The California State University Board of Trustees has established specific violations for which students may be subject to sanctions, including expulsion, suspension, and probation. Students will be disciplined for violations including the sale or knowing possession – on campus property – of dangerous drugs, restricted dangerous drugs, or narcotics
as those terms are used in California statutes, except when lawfully permitted for the purpose of research, instruction, or analysis.

**Smoking Policy**
The University recognizes the harmful effects of smoking and involuntary contact with smoke. Smoking and the use of tobacco products of any kind are prohibited in all University facilities and on all University grounds. A smoke and tobacco-free environment (EO 1108 [https://calstate.policystat.com/policy/6591951/latest/]) means no use of cigarettes, pipes, cigars, and other "smoke" emanating products including e-cigarette, cigarillo, pipe, hookah, or any other lighted or heated tobacco or plant product intended for inhalation.
