## Graduate Grading Requirements

All courses in the major (with the exceptions of Independent Study - 697, Comprehensive Examination - 696, Master's Project - 699P, and Master's Thesis - 699T) must be taken for a letter grade, except those courses specified by the department as ABC/No Credit (400/500-level courses), AB/No Credit (600-level courses), or Credit/No Credit grading only. A maximum of 10 units combined of ABC/No Credit, AB/No Credit, and Credit/No Credit grades may be used on the approved program (including 697, 696, 699P, 699T and courses outside the major). While grading standards are determined by individual programs and instructors, it is also the policy of the University that unsatisfactory grades may be given when work fails to reflect achievement of the high standards, including high writing standards, expected of students pursuing graduate study.

Students must maintain a minimum 3.0 grade point average in each of the following three categories: all course work taken at any accredited institution subsequent to admission to the master's program; all course work taken at California State University, Chico subsequent to admission to the program; and all courses on the approved master's degree program.

Continuous enrollment is required. At the discretion of the academic program, a maximum of 30 percent of the units counted toward the degree requirements may be special session credit earned in non-matriculated status combined with all transfer coursework. This applies to special session credit earned through Open University, or in courses offered for academic credit through Regional and Continuing Education.

## Graduate Time Limit

All requirements for the degree are to be completed within five years of the end of the semester of enrollment in the oldest course applied toward the degree. See Master's Degree Requirements (<https://catalog.csuchico.edu/graduate-requirements/masters-degree-requirements/>) for complete details on general degree requirements.

## Graduate Requirement in Writing Proficiency

All students must demonstrate competency in writing skills as a requirement for graduation. Anthropology Master's degree students will demonstrate their writing competence on the Candidacy Examination (see "Advancement to Candidacy"). Students who do not meet departmental expectations will be required to seek help with their writing and demonstrate adequate improvement before they can proceed toward the Candidacy Examination. Students who fail one or more of the Candidacy Exams the first time they take the exams will be placed on Administrative Academic Probation, receiving official notification from Graduate Studies, according to University Policy, as stated in Administrative Academic Probation (<https://catalog.csuchico.edu/academic-standards-policies/academic-policies-regulations/>).

## Prerequisites for Admission to Conditionally Classified Status:

1. Satisfactory grade point average as specified in Graduate and Postbaccalaureate Admission Requirements (<https://catalog.csuchico.edu/graduate-requirements/graduate-postbaccalaureate-admission-requirements/>).
2. Approval by the department and Graduate Studies.
3. An acceptable baccalaureate from an accredited institution, or an equivalent approved by Graduate Studies. If the applicant's previous work is deficient in Anthropology, the applicant will be required to take courses prescribed by the graduate committee.
