

CULTURAL RESOURCE MANAGEMENT CERTIFICATE

HIST 494 Introduction to Public History

Total Units

21-22

¹ Must be taken for 3 units.

The Certificate in Cultural Resource Management program prepares individuals for careers in the identification, preservation, and management of heritage resources located on public and private lands. Emphasis is placed upon the acquisition of archaeological field and laboratory skills, as well as knowledge of federal and state requirements. Employment opportunities are plentiful.

Grading Requirement

All courses taken to fulfill program course requirements must be taken for a letter grade except those courses specified by the department as credit/no credit grading only.

A 2.5 GPA is required for all courses taken for the certificate.

Course Requirements for the Certificate

The following courses, or their approved transfer equivalents, are required of all candidates for this certificate.

Elective courses should be selected with the prior approval of the certificate coordinator.
