

PUBLIC ADMINISTRATION MPA

The Master of Public Administration offers options in health administration and criminal justice. The mission of the program is to develop and enhance the theoretical and practical understanding, knowledge, and skills of current and future managers in public service with particular emphasis on the North State region. A major feature of this program is administration in a nonmetropolitan setting.

Graduate Advising Requirement

Advising is mandatory each semester for all Public Administration students. Units taken outside the discipline of Public Administration must be approved by the Graduate Coordinator and the student's graduate advisory committee. Consult with the Graduate Coordinator for specifics.

Correspondence courses and UC Extension coursework are not acceptable for transfer. Not more than six units from another department within the University, and only with approval by the graduate advisory committee.

 2. Completion and final approval of one of the following three plans as specified by the student's graduate advisory committee.
 - a. **Comprehensive Examination Plan**

Graduate Grading Requirements

All courses in the major (with the exceptions of Independent Study - 697, Master's Project - 699P, and Master's Thesis - 699T) must be taken for a letter grade, except those courses specified by the department as ABC/No Credit (400/500-level courses), AB/No Credit (600-level courses), or Credit/No Credit grading only. A maximum of 10 units combined of ABC/No Credit, AB/No Credit, and Credit/No Credit grades may be used on the approved program (including 697, 699P, 699T and courses outside the major). While grading standards are determined by individual programs and instructors, it is also the policy of the University that unsatisfactory grades may be given when work fails to reflect achievement of the high standards, including high writing standards, expected of students pursuing graduate study.

Students must maintain a minimum 3.0 grade point average in each of the following three categories: all coursework taken at any accredited institution subsequent to admission to the master's program; all coursework taken at California State University, Chico subsequent to admission to the program; and all courses on the approved master's degree program.

In addition, no course in which a grade lower than B- is earned will be counted toward the fulfillment of any graduate degree requirements.

Continuous enrollment is required. At the discretion of the academic program, a maximum of six semester units of special session credit earned in non-matriculated status combined with all transfer coursework may be counted toward the degree requirements. This applies to special session credit earned through Open University, or in courses offered for academic credit through Professional & Continuing Education.

Graduate Time Limit

All requirements for the degree are to be completed within five years of the end of the semester of enrollment in the oldest course applied

toward the degree. See Master's Degree Requirements (<https://catalog.csuchico.edu/graduate-requirements/masters-degree-requirements/>) for complete details on general degree requirements.

Graduate Requirement in Writing Proficiency

All students must demonstrate competency in writing skills as a requirement for graduation. Graduate students in Public Administration will demonstrate their writing competence through POLS 602 or the first graduate seminar in which they enroll. The instructor of that seminar will certify to the Graduate Coordinator that the student has met the requirement. Students should consult with the Graduate Coordinator for specifics.

Prerequisites for Admission to Classified Status

1. Satisfactory grade point average as specified in Graduate and Postbaccalaureate Admission Requirements (<https://catalog.csuchico.edu/graduate-requirements/graduate-postbaccalaureate-admission-requirements/>).
2. Approval by the department and Graduate Studies.
3. An acceptable baccalaureate from an accredited institution, or an equivalent approved by Graduate Studies.
4. Evidence of American Government/Politics coursework at the post secondary level or successful completion (B- or higher) of POLS 355 is strongly recommended.
5. Completion of the Test of English as a Foreign Language (TOEFL) with a minimum score of 550 (80 on the internet-based TOEFL) by all applicants who have not attended post secondary educational institutions for at least three years where English is the principal language of instruction.

Advancement to Candidacy

1. Development of an approved master's degree program plan. The Graduate Coordinator works with the student in the development of the degree program plan. The plan must be approved by the Graduate Coordinator and the Office of Graduate Studies.
2. Completion of at least 15 units of the student's approved master's degree program plan.
3. Formation of a graduate advisory committee.
 - a. Students selecting the thesis option must have a committee of three faculty members. At least two of the three faculty members on the committee, including the chair, must be chosen from the Department of Political Science and Criminal Justice.
 - b. Students selecting the professional paper plan must have a committee of two faculty members. The chair of the committee must be a faculty member in the Department of Political Science and Criminal Justice who holds a terminal degree in the field.
 - c. For students who select the comprehensive exam plan, the Graduate Coordinator organizes the graduate advisory committee and is responsible for the guidance of the student through the completion of the degree.
4. For students completing the thesis or professional paper, graduate advisory committee approval of the student's thesis proposal or professional paper topic and enrollment in POLS 680B.
