PUBLIC ADMINISTRATION MPA

The Master of Public Administration offers options in health administration and criminal justice. The mission of the program is to develop and enhance the theoretical and practical understanding, knowledge, and skills of current and future managers in public service with particular emphasis on the North State region. A major feature of this program is administration in a nonmetropolitan setting.

Graduate Advising Requirement
Advising is mandatory each semester for all Public Administration students. Units taken outside the discipline of Public Administration must be approved by the Graduate Coordinator and the student's graduate advisory committee. Consult with the Graduate Coordinator for specifics.

Requirements for the Master of Public Administration
Completion of all requirements as established by the departmental graduate committee, the graduate advisory committee, and Graduate Studies, to include:

1. Completion of an approved program consisting of 36-37 units as follows:
   a. At least 30 units in the discipline of Public Administration.
   b. At the discretion of the academic program, a maximum of six semester units of special session credit earned in non-matriculated status combined with all transfer coursework may be counted toward the degree requirements. This applies to special session credit earned through Open University, or in courses offered for academic credit through Professional & Continuing Education. Correspondence courses and UC Extension coursework are not acceptable for transfer. Not more than six units from another department within the University, and only with approval by the graduate advisory committee.
   c. Not more than three units of internship coursework and only if the student's graduate committee or the Graduate Coordinator agrees that the internship is a meaningful educational experience. Internships are encouraged for pre-service students.
   d. Not more than nine units of POLS 697, POLS 699T, or POLS 680B combined; not more than three units of POLS 699T. POLS 697 topics cannot be the same as POLS 680B papers or thesis topics.

2. Completion and final approval of one of the following three plans as specified by the student's graduate advisory committee.
   a. Comprehensive Examination Plan
   i. Preparing for the Comprehensive Examination: students shall enroll in POLS 680A the semester before they intend to take the Comprehensive Examination. Students are provided lists of suggested readings. The exam involves synthesis and practical application of public administration theory, knowledge, and skills acquired in the program.
   ii. Written Comprehensive Examinations: the candidate shall complete and pass a written examination in public administration.
   iii. Grading: each examination shall be graded as pass or fail.
   iv. Repeating the Written Comprehensive Examination: the candidate may repeat the examination once.
   v. Approval by the departmental graduate committee and the Graduate Council on behalf of the faculty of the university.
   b. Professional Paper Plan
   Enrollment in POLS 680A and POLS 680B and successful completion of a professional research paper (Policy Analysis) of sufficient range in subject and method to demonstrate a broad acquaintance with the relevant theory and methodology and a capacity for in-depth analysis and investigation. The completed paper shall be presented before interested faculty and graduate students and approved by both members of the graduate committee.
   c. Thesis Plan
   The candidate shall submit an acceptable thesis based upon research developed by the student and agreed to by the student's graduate advisory committee.
   i. Thesis Proposal: A proposal (prospectus or detailed outline) of the thesis must be submitted and approved by the graduate advisory committee before the student begins the thesis. The proposal includes at least a statement of the problem or hypothesis, the basic research methods to be employed, justification of the study's value, and estimated time of completion. The proposal is a formal document that must have appropriate attention given to the matters of format, documentation, and quality of writing.
   ii. Registration in POLS 699T: the student should register for POLS 699T no earlier than the third semester in the program and in accordance with their thesis plan. However, it is advisable that students complete most of the program coursework before registering for POLS 699T. An approved thesis proposal is required for registration in POLS 699T.
   iii. Approval of Thesis: the thesis shall be approved by all three members of the graduate advisory committee.
   iv. Oral Defense: a required oral defense of the thesis shall be conducted by the candidate's graduate advisory committee. Interested faculty may attend. The oral defense is generally limited to matter within the scope of the thesis. The candidate may repeat the oral defense one time if failed by the committee on the first attempt. The time and place of the defense must be noted in print and circulated to Graduate Studies at least one week prior to the date. The Political Science and Criminal Justice Department should be notified of the oral defense two weeks prior to the date.

3. Approval by the department graduate committee and the Graduate Council on behalf of the faculty of the University.

The following courses, or their approved transfer equivalents, are required of all candidates for this master's.

Graduate Grading Requirements

All courses in the major (with the exceptions of Independent Study - 697, Master's Project - 699P, and Master's Thesis - 699T) must be taken for a letter grade, except those courses specified by the department as ABC/No Credit (400/500-level courses), AB/No Credit (600-level courses), or Credit/No Credit grading only. A maximum of 10 units combined of ABC/No Credit, AB/No Credit, and Credit/No Credit grades may be used on the approved program (including 697, 699P, 699T and courses outside the major). While grading standards are determined by individual programs and instructors, it is also the policy of the University that unsatisfactory grades may be given when work fails to reflect achievement of the high standards, including high writing standards, expected of students pursuing graduate study.

Students must maintain a minimum 3.0 grade point average in each of the following three categories: all coursework taken at any accredited institution subsequent to admission to the master's program; all coursework taken at California State University, Chico subsequent to admission to the program; and all courses on the approved program (including 697, 699P, 699T) must be taken for a letter grade, except those courses specified by the department as ABC/No Credit, AB/No Credit, and Credit/No Credit grades may be used on the approved program (including 697, 699P, 699T and courses outside the major). While grading standards are determined by individual programs and instructors, it is also the policy of the University that unsatisfactory grades may be given when work fails to reflect achievement of the high standards, including high writing standards, expected of students pursuing graduate study.

In addition, no course in which a grade lower than B- is earned will be counted toward the fulfillment of any graduate degree requirements.

Continuous enrollment is required. At the discretion of the academic program, a maximum of six semester units of special session credit earned in non-matriculated status combined with all transfer coursework may be counted toward the degree requirements. This applies to special session credit earned through Open University, or in courses offered for academic credit through Professional & Continuing Education.

Graduate Time Limit

All requirements for the degree are to be completed within five years of the end of the semester of enrollment in the oldest course applied.
toward the degree. See Master's Degree Requirements (https://catalog.csuchico.edu/graduate-requirements/masters-degree-requirements/) for complete details on general degree requirements.

**Graduate Requirement in Writing Proficiency**

All students must demonstrate competency in writing skills as a requirement for graduation. Graduate students in Public Administration will demonstrate their writing competence through POLS 602 or the first graduate seminar in which they enroll. The instructor of that seminar will certify to the Graduate Coordinator that the student has met the requirement. Students should consult with the Graduate Coordinator for specifics.

**Prerequisites for Admission to Conditionally Classified Status**

1. Satisfactory grade point average as specified in Graduate and Postbaccalaureate Admission Requirements (https://catalog.csuchico.edu/graduate-requirements/graduate-postbaccalaureate-admission-requirements/).

2. Approval by the department and Graduate Studies.

3. An acceptable baccalaureate from an accredited institution, or an equivalent approved by Graduate Studies.

4. Evidence of American Government/Politics coursework at the postsecondary level or successful completion (B- or higher) of POLS 355.

5. Completion of the Test of English as a Foreign Language (TOEFL) with a minimum score of 550 (80 on the internet-based TOEFL) by all applicants who have not attended postsecondary educational institutions for at least three years where English is the principal language of instruction.

While taking 600-level courses, all new students enter as conditionally classified graduate students.

Conditionally classified students are expected to make no grade lower than a B- and finish all coursework (no "Incomplete" or "Satisfactory Progress").

**Prerequisites for Admission to Classified Status**

In addition to any requirements listed above:

1. Completion of a minimum of nine units of graduate study as a conditionally classified student, including a graduate seminar.

2. Formation of a graduate advisory committee. This should be done as early as possible, after completion of nine units of graduate study, and in consultation with the Graduate Coordinator. Generally, no more than 15 units will be counted toward the graduate degree program in Public Administration taken before the formation of the graduate committee. Students selecting the thesis option must have a committee of three faculty members. At least two of the three faculty members on the committee, including the chair, must be chosen from the Department of Political Science and Criminal Justice. Students selecting the professional paper plan must have a committee of two faculty members. The chair of the committee must be the faculty member instructing POLS 680B the semester that it is taken. For students who select the Comprehensive Exam Plan, the Graduate Coordinator organizes the graduate advisory

committee and is responsible for the guidance of the student through completion of the degree.

3. Development of an approved master's degree program plan. The graduate advisory committee works with the student in the development of the student's master's degree program plan. The plan must be approved by the graduate advisory committee, the Graduate Coordinator, and the Office of Graduate Studies.

**Advancement to Candidacy**

In addition to any requirements listed above:

1. Completion of at least 15 units of the student's approved master's degree program plan.

2. Graduate advisory committee approval of the student's thesis proposal or professional paper topic and enrollment in POLS 680B.

3. A minimum grade point average of 3.0.
