The Bachelor of Arts in Political Science offers great flexibility in two areas, U.S. politics and legal studies.

**The option in U.S. politics.** Students choose courses from a rich curriculum, providing close student-faculty contact. Significant work experience and internship opportunities are offered in the state legislature, with lobbying groups, political parties, candidates, and in the offices of U.S. Senators and Representatives.

**The option in legal studies.** This option provides students with an innovative course of study with a law-related emphasis. Students engage in hands-on work in internships or the legal clinic practicum, giving students practical experience through contact with attorneys, judges, inmates, and persons in the community. Students also can participate in a moot court competition. Graduates from this major often pursue careers in law.

## Grading Requirement

All courses taken to fulfill program course requirements must be taken for a letter grade except those courses specified by the department as credit/no credit grading only.

See Bachelor’s Degree Requirements (<https://catalog.csuchico.edu/undergraduate-requirements/bachelors-degree-requirements/>) for complete details on general degree requirements. A minimum of 39 units, including those required for the major, must be upper division.

General Education Requirements: 48 units

See General Education (<https://catalog.csuchico.edu/colleges-departments/undergraduate-education/general-education/>) and the Class Schedule (<http://www.csuchico.edu/schedule/>) for the most current information on General Education Requirements and course offerings.

One of the following GE Mathematics/Quantitative Reasoning (B4) courses is recommended to support the student in either of the options in the political science major:

- MATH 105 Introduction to Statistics
- MATH 185 Data Analytics for Social Good

Diversity Course Requirements: 6 units

You must complete a minimum of two courses that focus primarily on cultural diversity. At least one course must be in US Diversity (USD) and at least one in Global Cultures (GC). See Diversity Requirements (<https://catalog.csuchico.edu/undergraduate-requirements/diversity-requirements/>) for a full list of courses. Most courses taken to satisfy these requirements may also apply to General Education (<https://catalog.csuchico.edu/colleges-departments/undergraduate-education/general-education/>).
