PROFESSIONAL MANAGEMENT CONSULTING CERTIFICATE

The Certificate in Professional Management Consulting provides the knowledge and practical experience to help students become a highly skilled manager, executive, and leader.

Grading Requirement

All courses taken to fulfill program course requirements must be taken for a letter grade except those courses specified by the department as credit/no credit grading only.

Some courses require a minimum grade to progress in the program. Minimum grade requirements, including those listed on course requisites, are considered graduation requirements.

A grade point average of 2.5 must be earned for courses required for the certificate, with a grade of C or higher earned in each course.

Course Requirements for the Certificate

The following courses, or their approved transfer equivalents, are required of all candidates for this certificate.

MGMT 489F may not be counted toward satisfying option requirements for students in human resource management, management, or project management options in business administration.

[1] Upper-division courses related to professional services that are offered by other academic departments may also be taken but require prior approval by the chair of the Department of Management or the director of the Professional Consulting Program.

Applicants must qualify for admission to the program. A cumulative grade point average of 2.75 is required for admission. Candidates for the certificate must be accepted by the University, but it is not necessary to complete the requirements for a bachelor's degree in order to receive the Professional Management Consulting Certificate. Please consult with the chair of the Department of Management or Business Student Advising and Services for additional admissions criteria.
