Insight

Communication Studies is the place to tell your story. The program features excellent faculty, exciting student clubs, and an award-winning speech and debate team. Find your voice in a communication minor. Help people understand each other with a degree in organizational communication. Tell the world about it with a degree in public affairs. Take your experience to the next level with a Master of Arts in communication. Regardless of your path, you will find opportunities to tell your story by studying communication.

Experience

Our students are simply the best. They come from diverse backgrounds and all walks of life. In studying communication, they often find paths to student government, Greek leadership, and professional success as undergraduates. The degree program affords students the kind of flexibility they need to make an impact while they are students rather than waiting to graduate.

Outlook

CMST graduates are loud and proud at graduation and beyond. Our amazing graduates are financially successful in careers like recruiting and sales. They change the world by studying law and writing legislation. They care for their communities in leadership roles in healthcare and in the nonprofit sector. They also change their minds after graduation, but with a versatile degree like communication studies, they have the skills to do anything.

Come join an outstanding program, change the world, and tell your story with Communication Studies.
