

# MULTIPLE SUBJECT CREDENTIAL PROGRAM

This program leads to a preliminary Multiple Subject Credential for teaching at the elementary school setting. Candidates may begin in fall or spring and participate in supervised teaching practica throughout northeastern California.

Candidates are able to complete programs leading to credentials through a variety of delivery options. All candidates follow the education block system. Assigned faculty advisors assist candidates with program planning.

Subject matter preparation requirements are governed by state legislative action and approval of the California Commission on Teacher Credentialing. Requirements may change between catalogs. Please consult with your department credential advisor for current information.

## Licensure and Credentialing

Admission into programs leading to licensure and credentialing does not guarantee that students will obtain a license or credential. Licensure and credentialing requirements are set by agencies not controlled by or affiliated with the CSU, and requirements can change at any time. For example, licensure or credentialing requirements can include evidence of the right to work in the United States (e.g., Social Security number or taxpayer identification number) or successfully passing a criminal background check. Students are responsible for determining whether they can meet licensure or credentialing requirements. The CSU will not refund tuition, fees or any associated costs to students who determine subsequent to admission that they cannot meet licensure or credentialing requirements.

The California State University has not determined whether its programs meet other states' educational or professional requirements for licensure and certification. Students enrolled in a California State University program who are planning to pursue licensure or certification in other states are responsible for determining whether they will meet their state's requirements for licensure or certification. This disclosure is made pursuant to 34 CFR §668.43(a)(5)(v)(C).

## Grading Requirements

All courses taken to fulfill credential course requirements must be taken for a letter grade except those courses specified by the department as Credit/No Credit grading only.

- All courses taken to fulfill credential course requirements must be completed with a grade of C- or higher
