

ADAPTED PHYSICAL ACTIVITY MINOR

The Minor in Adapted Physical Activity may serve as part of a supplementary authorization to teach adapted physical education. Consult with an academic advisor to plan your program carefully.

Course Requirements for the Minor

The following courses, or their approved transfer equivalents, are required of all candidates for this minor.

Written Notice

Departmental approval is required before you begin coursework for this minor. Approval can be obtained by providing written notice of your intention to declare this minor to the department office.

Consult with an academic advisor to plan your program carefully. For example, this minor may serve as part of a supplementary authorization to teach adapted physical education.
