

PHILOSOPHY MINOR

The Minor in Philosophy can deepen understanding of human nature, human culture, and the diversity of human values, thereby providing an opportunity to address fundamental issues of human concern. The minor improves reasoning skills and the ability to apply complex concepts to real-world experience. Because the minor is relatively unstructured, it allows students a great deal of choice regarding classes taken and works well with most majors.

Course Requirements for the Minor

The following courses, or their approved transfer equivalents, are required of all candidates for this minor.

Course	Title	Units
Select one of the following:		3
