ARTI 115 Introduction to Interior Design 3 Units
Typically Offered: Fall only
This course provides the student with an overview of the interior design profession. Through a survey of significant spaces and innovations in styles and furnishings students examine how interior design affects human activity. Life safety codes and human performance are emphasized. 3 hours lecture. (000732)
Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units
Course Attributes: Lower Division

ARTI 231 Graphics I: Design Communication 3 Units
Prerequisite: ARTI 115, ARTS 122, ARTS 123, or faculty permission.
Corequisites: ARTI 261.
Typically Offered: Fall only
The ability to sketch design ideas confidently is a valuable tool for designers. This course emphasizes the skill of drawing quickly by teaching visual note taking, generating visual ideas, working from non-visual sources, and establishing a method for accurate perspective drawing. Manual architectural drafting introduced as means of visual communication. Color rendering techniques are introduced that add surface texture, tonality, reflections, and shades and shadows. 6 hours activity. (020509)
Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units
Course Attributes: Lower Division

ARTI 362 Design Studio II 3 Units
Prerequisite: ARTI 261 or faculty permission.
Typically Offered: Spring only
This course expands Building Information Modeling (BIM) skills to include residential and commercial design projects and the use of features such as building construction, multi-levels, curtain walls, and store fronts. Students expand the use of Building Information Modeling by using more advanced programs features to implement commercial design into the projects. 6 hours activity. (000766)
Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units
Course Attributes: Upper Division

ARTI 363 Design Studio III 3 Units
Prerequisite: ARTI 362 or faculty permission.
Typically Offered: Fall only
This course emphasizes discussion and application of design philosophies, theories, and creative design strategies at the intermediate level. The emphasis includes: research, survey and analysis, design processes, spatial and functional analysis, design elements and principles, human factors, creative problem-solving, code requirements, selection of interior components, and preparation of a presentation. Design projects consist of interior design of hospitality environment. 6 hours activity. (020729)
Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units
Course Attributes: Upper Division
ARTI 372 Interior Materials and Finishes 3 Units
Prerequisite: ARTI 115, ARTI 261 or faculty permission.
Typically Offered: Spring only
This course introduces the building materials and finishes used in interior applications in the context of their environmental impact, their implications for human health and safety, and their potential contribution to the design of architectural interiors. This course covers how to use finishes and materials appropriately for interior applications; study how materials are installed and how they transition into one other; understand the substructure on which they are applied and how to specify materials properly. Activities include lectures and panel discussion by product representatives. Field trips to showrooms and manufacturing facilities to expand your resource base. 2 hours activity, 2 hours lecture. (000734)
Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units
Course Attributes: Upper Division; Sustainable Course

ARTI 373 Interior Lighting and Color 3 Units
Prerequisite: ARTI 115, ARTI 261 or faculty permission.
Typically Offered: Fall only
This course focuses on lighting design based upon critical awareness of the luminous environment. Lighting fundamentals and applications for various types of interior environment are emphasized. Students learn to analyze the spatial requirements for light, select proper systems, draw reflected ceiling plans, draw electrical plans, lighting legends, lighting schedules, codes and emergency lighting. Understanding daylight and how to control it will be also be discussed. This course addresses the relationship of interior lighting and color. Students explore the application of color theory to interior design. 2 hours activity, 2 hours lecture. (000768)
Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units
Course Attributes: Upper Division; Sustainable Course

ARTI 363 Design Studio IV 3 Units
Prerequisite: ARTI 363 or faculty permission.
Typically Offered: Spring only
This course emphasizes discussion and application of design philosophies, theories, and creative design strategies at the intermediate level and the study of construction documents on the computer related to interior environments and applied to a studio project. Emphasis includes research, survey and analysis, design processes, spatial and functional analysis, code requirements, and selection of interior components. Design projects consist of interior design of the exhibition and retail environment. 6 hours activity. (000820)
Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units
Course Attributes: Upper Division; Sustainable Course

ARTI 456 Design Studio V 3 Units
Prerequisite: ARTI 464 or faculty permission.
Typically Offered: Fall only
This course emphasizes discussion and application of design philosophies, theories, and creative design strategies at the advanced level. Emphasis includes research, survey and analysis, design processes, spatial and functional analysis, code requirements, and selection of interior components. Design projects consist of institution and/or work environment. 6 hours activity. (020728)
Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units
Course Attributes: Upper Division

ARTI 474 Building Systems and Environmental Technologies 3 Units
Prerequisite: ARTI 363 or faculty permission.
Typically Offered: Fall only
This course focuses on the foundations knowledge, concepts, and skills fundamental to structure, construction, and materials. Interior building systems in relation to human sensory reactions, psychological factors, health, safety, and comfort including building codes relating to building systems are addressed. The vocabulary and concepts of environmental technologies related to lighting, acoustics, water and waste for architectural and interior design. 2 hours activity, 2 hours lecture. (020730)
Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units
Course Attributes: Upper Division; Sustainable Course

ARTI 485W Portfolio (W) 3 Units, W, GW
Prerequisite: GE Written Communication (A2) requirement or faculty permission.
Typically Offered: Spring only
This course assists and mentors students in assembling a comprehensive portfolio of their academic work. Students learn various formats and processes used in creating a portfolio. Methods and examples or organization and layout are covered. The purpose of the portfolio is to showcase each student's best technical, creative, and analytical skills. The end product is a customized template than can then be supplemented with new projects as students continue to develop professionally. 3 hours activity. (000866)
Grade Basis: Credit/No Credit
Repeatability: You may take this course for a maximum of 3 units
Course Attributes: Upper Division; Sustainable Course; Writing Course; Graduation Writing Assessment

ARTI 489 Professional Practice and Internship Program 3 Units
Prerequisite: ARTI 363 or faculty permission.
Typically Offered: Fall only
This course familiarizes students with the everyday business, legal, financial, and ethical considerations of the practicing designer. This course addresses business principles and practices as they relate to the field of Interior Architecture. Students immerse in the Interior Architecture profession through an internship at a design or architectural firm. With the guidance of the program coordinator and the supervision of the host organization to gain greater exposure to the real design world and prepare for their future profession. A total of 90 internship hours either at an interior design, interior architecture, or community organization (habit for humanity, frugal house, university grant supported projects, etc.) is required with a year period. Ten 75 minute lectures plus 90 internship hours. 3 hours supervision. (021780)
Grade Basis: Credit/No Credit
Repeatability: You may take this course for a maximum of 3 units
Course Attributes: Upper Division
ARTI 566  Design Studio VI: Senior Design Studio  3 Units
Prerequisite: ARTI 465 or faculty permission.
Typically Offered: Spring only
This course emphasizes an advanced design experience of students' choice of an interior environment of complex scope and scale to meet the needs of specific clients, and prepare students for the practice of the profession. The projects address issues of design of the 21st century and integrate all aspects of the curriculum. 6 hours activity. (020731)
Grade Basis: Graded
Repeatability: You may take this course for a maximum of 6 units
Course Attributes: Upper Division
