Typically Offered: Inquire at department
Grade Basis: Graded
Repeatability: You may take this course for a maximum of 15 units
Course Attributes: Lower Division

Typically Offered: Inquire at department
Grade Basis: Credit/No Credit
Repeatability: You may take this course for a maximum of 6 units
Course Attributes: Lower Division

Typically Offered: Inquire at department
Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units
Course Attributes: Lower Division
CHLD 251 Risk and Resilience in Development 3 Units GE
Prerequisite: GE Oral Communication (A1); GE Written Communication (A2); GE Critical Thinking (A3); GE Mathematics/Quantitative Reasoning (B4) requirements, or consent of the instructor.
Typically Offered: Fall and spring
The goal of this online course is to explore typical development related to healthy children with healthy relationships and to put that in the context of children with risk (i.e., adverse experiences) and children who overcome that risk (i.e., resilient). This understanding is viewed through the lens of neurobiology (e.g., regulation and dysregulation understood through brain functioning). Additionally, working with youth experiencing either adverse trauma or relational poverty is emphasized. 3 hours lecture. (021761)

General Education: Upper-Division Social Sciences (UDD); Health and Wellness Pathway
Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units

CHLD 333W Children's Gender and Sexuality Development (W) 3 Units GE, USD, W
Prerequisite: Junior standing; GE Oral Communication (A1); GE Written Communication (A2); GE Critical Thinking (A3); GE Mathematics/Quantitative Reasoning (B4) requirements, or consent of the instructor.
Typically Offered: Fall and spring
This topical course is designed for students who wish to develop a broader and deeper understanding of children's gender and sexuality development. Students study multiple theoretical explanations of gender and sexuality development, and learn how biological, social, cultural, and cognitive influences impact concepts of gender and sexuality. 3 hours lecture. (021356)

General Education: Upper-Division Social Sciences (UDD); Gender and Sexuality Pathway
Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units

CHLD 353W Methods of Inquiry in Child Development (W) 3 Units W, GW
Prerequisite: GE Written Communication (A2) requirement, GE Quantitative Reasoning (A4), CHLD 251, CHLD 252, CHLD majors only.
Typically Offered: Fall and spring
Students learn the fundamentals of scientific methodology, increase their knowledge of qualitative research methods, and acquire quantitative skills in measurement and statistical evaluation. These skills are applied through reviewing, evaluating, and communicating research. Students also identify the major dimensions of research strategies used in child development and related fields. 2 hours activity, 2 hours seminar. (001448)

Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units

Course Attributes: Upper Division; Writing Course; Graduation Writing Assessment

CHLD 354 The School-Aged Child 3 Units
Prerequisite: CHLD 252 or PSYC 355.
Typically Offered: Fall and spring
This class examines the physical, cognitive, emotional, and psychosocial aspects of growth during the school-aged years (ages 5 through 12), as well as contextual influences (e.g., family, school, peer group) on children's development. Particular attention is paid to the implications of developmental patterns for those who work with school-aged children. 3 hours lecture. (001449)

Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units

Course Attributes: Upper Division

CHLD 357 Adolescent Development 3 Units
Prerequisite: CHLD 252 or PSYC 355.
Typically Offered: Fall only
This course provides a broad research and theory-based overview of physical, cognitive, emotional, social, moral, and identity development during adolescence. An ecological framework is used to examine the influence of sociocultural contexts, ethnicity, gender, family, peers, and school settings on adolescent experience and development. 3 hours discussion. (001461)

Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units

Course Attributes: Upper Division

CHLD 352 Prenatal-Infant Development: Advanced 3 Units
Prerequisite: CHLD 252 or PSYC 355.
Typically Offered: Spring only
This course studies characteristic developmental changes in and environmental influences on human infants from conception to approximately two years of age. Special emphasis is on sensory-perceptual abilities, social-emotional interactions, and cognitive developmental processes. Guided observations of infants required. 3 hours discussion. (001446)

Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units

Course Attributes: Upper Division

CHLD 351 Toddler-Early Childhood Development: Advanced 3 Units
Prerequisite: CHLD 252 or PSYC 355.
Typically Offered: Fall only
This course examines the physical, cognitive, emotional, and psychosocial aspects of growth during the stages of toddlerhood and early childhood (approximately ages 2 through 5), as well as contextual influences (e.g., family, group experiences, socioeconomic status, culture) on development for children of this age. 3 hours lecture. (021623)

Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units

Course Attributes: Upper Division
CHLD 360 Social-Emotional Intelligence: Development and Learning 3 Units GE
Prerequisite: GE Oral Communication (A1); GE Written Communication (A2); GE Critical Thinking (A3); GE Mathematics/Quantitative Reasoning (B4) requirements, or consent of the instructor.

Typically Offered: Fall and spring
The goal of this online course is to explore healthy social and emotional development including self-regulatory and interpersonal abilities, empathy development, prosocial behavior, and well-being across development periods from birth to young adulthood. Guided by interpersonal neurobiology (an interdisciplinary field that integrates attachment research and emerging findings from neuroscience) and interdisciplinary research on social emotional learning (SEL) programs, we explore the influence of primary relationships and contexts (family, peers, school, community) in shaping social-emotional competencies, emotional intelligence, and emotional learning across developmental periods. 3 hours lecture. (022089)

General Education: Upper-Division Social Sciences (UDD); Health and Wellness Pathway
Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units
Course Attributes: Upper Division

CHLD 382 Professional Seminar in Child Development: Current Issues 3 Units
Prerequisite: CHLD 251, CHLD 252, CHLD 282, CHLD 353W, junior standing, CHLD majors only.
Corequisites: CHLD 392.

Typically Offered: Fall and spring
This course examines and appraises current and professional issues affecting the field of child development. Cultural and political influences on the practices of professionals in the field are explored and analyzed. 3 hours lecture. (020216)

Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units
Course Attributes: Upper Division

CHLD 389 Internship in Child Dev 1-3 Units
Typically Offered: Fall and spring
3 hours lecture. (001454)

Grade Basis: Graded
Repeatability: You may take this course for a maximum of 15 units
Course Attributes: Upper Division

CHLD 392 Child Development Practicum: Advanced 4 Units
Prerequisite: CHLD 251, CHLD 252, CHLD 282, CHLD 353W; junior standing; department permission; CHLD majors only.
Corequisites: CHLD 382.

Typically Offered: Fall and spring
This course is a supervised practicum. Students plan and implement a developmentally effective program for children, assess children’s developmental progress, and evaluate their own effectiveness and professional development in a leadership role. An emphasis on families and programs is included. Department permission is required; enrollment is limited. 3 hours activity, 1 hour independent study. (001455)

Grade Basis: Graded
Repeatability: You may take this course for a maximum of 4 units
Course Attributes: Upper Division

CHLD 398 Special Topics 1-3 Units
Prerequisite: Department permission.

Typically Offered: Inquire at department
This course is for special topics offered for 1.0-3.0 units. Typically the topic is offered on a one-time-only basis and may vary from term to term and be different for different sections. See the Class Schedule for the specific topic being offered. 1 hour lecture. (001457)

Grade Basis: Graded
Repeatability: You may take this course more than once
Course Attributes: Upper Division

CHLD 399 Special Problems 1-3 Units
Prerequisite: Faculty permission.

Typically Offered: Fall and spring
This course is an independent study of special problems offered for 1.0-3.0 units. You must register directly with a supervising faculty member. 9 hours supervision. (001458)

Grade Basis: Credit/No Credit
Repeatability: You may take this course for a maximum of 6 units
Course Attributes: Upper Division

CHLD 440 Issues in Assessment for Children 3 Units
Prerequisite: CHLD 251, CHLD 252, CHLD 282, CHLD 353W, junior standing, CHLD majors only.

Typically Offered: Fall and spring
This course provides an overview of child assessment. The course offers the student both research-based theory and practical applications in these areas. Students apply the knowledge gained during class sessions and readings to relevant assigned projects and papers. 3 hours lecture. (001459)

Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units
Course Attributes: Upper Division

CHLD 451 Working with Families in Diverse Communities: Advanced 3 Units USD
Prerequisite: CHLD 251, CHLD 252, junior standing.

Typically Offered: Spring only
Through discussion, presentations, and written assignments students understand the nature of child development in diverse family contexts. Students assess the psychosocial developmental stages/tasks of families, the critical importance of culture/ethnic traditions, values, and beliefs and how these all affect development. Students engage in active, experiential learning, synthesize theory and practice, and evaluate the impact of social, ethnic, gender, and class contexts on themselves and their work with children and families. 3 hours seminar. (001460)

Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units
Course Attributes: Upper Division; U.S. Diversity

CHLD 455 Seminar in Family Relations 3 Units
Prerequisite: CHLD 252 or CHLD 255 or PSYC 355, junior standing.

Typically Offered: Fall and spring
This course is an advanced study of the interpersonal relationships among family members. Topics of reading and discussion include theories and research on family structure and function, family crises, child raising patterns, family finances, and other related topics as per instructor choice. 3 hours discussion. (001462)

Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units
Course Attributes: Upper Division
CHLD 456 Administration of Child Development Programs:
Advanced

Prerequisite: CHLD 251, CHLD 252, junior standing.

Typically Offered: Spring only odd years

This course focuses on the role of the program administrator in various types of licensed child development facilities. Topics include programming, fiscal oversight, licensing regulations, personnel decisions, legal issues, and management aspects of children's programs. 3 hours seminar. (001463)

Grade Basis: Graded

Repeatability: You may take this course for a maximum of 3 units

Course Attributes: Upper Division

CHLD 462 Adult Supervision in Child Development Programs:
Advanced

Prerequisite: CHLD 251, CHLD 252, junior standing.

Typically Offered: Spring only even years

This course offers opportunities to gain skills and knowledge about supervising adults in the workplace. Topics include interpersonal communication techniques, adult learning theory, leadership skills, professional collaboration, and personnel assessment in the early childhood education field. 3 hours lecture. (001465)

Grade Basis: Graded

Repeatability: You may take this course for a maximum of 3 units

Course Attributes: Upper Division

CHLD 489 Internship in Child Development

1-6 Units

Prerequisite: Faculty permission.

Typically Offered: Inquire at department

This course is an internship offered for 1.0-6.0 units. You must register directly with a supervising faculty member. Provides direct experience in agencies, institutions, or work settings appropriate to the application of Child Development background and training. 9 hours supervision. (001466)

Grade Basis: Report in Progress: CR/NC

Repeatability: You may take this course for a maximum of 15 units

Course Attributes: Upper Division

CHLD 492 Child Development Practice: Children and Families

3 Units

Prerequisite: BIOL 303, BIOL 318, or CHLD 321; CHLD 382, CHLD 392, senior standing, CHLD major.

Typically Offered: Fall and spring

This class is a guided internship for majors in Child Development. Based on individually determined internship learning objectives, students select a community-based agency placement that matches their career interest in children from birth through emerging adulthood and/or their families. Students spend a minimum of 7.5 hours a week in their internship placement for 12 weeks. 4 hours activity, 3 hours independent study. (001467)

Grade Basis: Graded

Repeatability: You may take this course for a maximum of 3 units

Course Attributes: Upper Division

CHLD 495HW Senior Seminar in Child Development - Honors (W)

3 Units W

Prerequisite: BIOL 303, BIOL 318 or CHLD 321; CHLD 382, CHLD 392, senior standing, CHLD majors only, acceptance in undergraduate honors program, department permission.

Typically Offered: Fall and spring

This capstone seminar integrates the perspectives of various disciplines concerned with the developing child. Its emphasis is on physical, cognitive, personality, and social development of the child in relationship to the family, community, and society. From a research framework, the topics include program practices, professional ethics, collaboration, case management, effective communication, leadership styles, self evaluation, and professional responsibilities. Students also complete comprehensive portfolios as part of the course requirements. 3 hours seminar. (001469)

Grade Basis: Graded

Repeatability: You may take this course for a maximum of 3 units

Course Attributes: Upper Division; Writing Course

CHLD 495W Senior Seminar in Child Development (W)

3 Units W

Prerequisite: BIOL 303, BIOL 318, or CHLD 321; CHLD 382, CHLD 392, senior standing, CHLD majors only.

Typically Offered: Fall and spring

This capstone seminar integrates the perspectives of various disciplines concerned with the developing child. Its emphasis is on physical, cognitive, personality, and social development of the child in relationship to the family, community, and society. From a research framework, the topics include program practices, professional ethics, collaboration, case management, effective communication, leadership styles, self evaluation, and professional responsibilities. Students also complete comprehensive portfolios as part of the course requirements. 3 hours seminar. (001468)

Grade Basis: Graded

Repeatability: You may take this course for a maximum of 3 units

Course Attributes: Upper Division; Writing Course

CHLD 498 Special Topics

1-3 Units

Prerequisite: Inquire at department

Typically Offered: Inquire at department

This course is for special topics offered for 1.0-3.0 units. Typically the topic is offered on a one-time-only basis and may vary from term to term and be different for different sections. See the Class Schedule for the specific topic being offered. 3 hours seminar. (001470)

Grade Basis: Graded

Repeatability: You may take this course more than once

Course Attributes: Upper Division

CHLD 499 Special Problems

1-3 Units

Prerequisite: Department permission.

Typically Offered: Fall and spring

This course is an independent study of special problems offered for 1.0-3.0 units. Students must register directly with a supervising faculty member and receive department permission to enroll. 3 hours weekly supervision per unit. 9 hours supervision. (001471)

Grade Basis: Credit/No Credit

Repeatability: You may take this course for a maximum of 6 units
