Typically Offered: Fall and spring
An introduction to financial management, providing a background in the areas of financial institutions, the time value of money, analysis of financial statements, working capital management, financial structure of the firm, capital budgeting, and related tools of financial analysis. 3 hours lecture. (003729)
Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units
Course Attributes: Upper Division

FINA 351 Investments 3 Units
Prerequisite: FINA 307.
Typically Offered: Fall and spring
Investments from the point of view of the individual investor, security and non-security investment, analytical techniques; industry studies, and management of the personal portfolio. 3 hours discussion. (003730)
Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units
Course Attributes: Upper Division

FINA 355 Financial Management: Intermediate Theory 3 Units
Prerequisite: FINA 307.
Typically Offered: Fall and spring
An integrated approach to financial management, including study of intermediate-level financial theory and its application to financial decision-making. 3 hours discussion. (003732)
Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units
Course Attributes: Upper Division

FINA 369 Real Estate Finance and Investments 3 Units
Prerequisite: FINA 307.
Typically Offered: Fall only
A study of the institutions and methods involved in financing real property and an analysis of the problems, risks, and practices involved in financing and investing in real property. 3 hours lecture. (008115)
Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units
Course Attributes: Upper Division

FINA 398 Special Topics 1-3 Units
Prerequisite: Department permission.
Typically Offered: Fall and spring
This course is for special topics. Typically the topic is offered on a one-time-only basis and may vary from term to term and be different for different sections. See the Class Schedule for the specific topic being offered. 3 hours supervision. (003741)
Grade Basis: Graded
Repeatability: You may take this course more than once
Course Attributes: Upper Division

FINA 399 Special Problems 1-3 Units
Typically Offered: Fall and spring
This course is an independent study of special problems and is offered for 1.0-3.0 units. You must register directly with a supervising faculty member. Students registering for this course should prepare a project proposal to be discussed with their faculty advisor before enrolling in the course. 0 hours independent study. (003742)
Grade Basis: Credit/No Credit
Repeatability: You may take this course for a maximum of 6 units
Course Attributes: Upper Division

FINA 453 Estate Planning 3 Units
Prerequisite: FINA 307.
Typically Offered: Fall and spring
To give students a basic understanding of the major methods and techniques of preserving and transmitting an individual's wealth, including gift-giving, the use of various trusts, the use of life insurance, and the proper preparation of a will. Students will be expected to be aware of the causes and consequences of an inefficient transfer of wealth and therefore must acquire a working knowledge of the institutional constraints, including the law of property, wills, and intestate distribution, the probate process, and State and Federal estate, gift, inheritance, and generation-skipping transfer taxes. 3 hours lecture. (001047)
Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units
Course Attributes: Upper Division

FINA 454 Financial Planning: Applications 3 Units
Prerequisite: FINA 307.
Typically Offered: Fall and spring
Overview of personal financial planning including retirement planning and wealth management. Topics include application of time value of money, personal financial statement development and assessment, investment planning and retirement planning; employee benefits. Also covered are ethics and practice standards in client/planner interaction. 3 hours discussion. (003731)
Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units
Course Attributes: Upper Division

FINA 456 Risk and Insurance 3 Units
Prerequisite: FINA 307.
Typically Offered: Fall and spring
Nature of risk and risk management; fundamentals of property, liability, and life contracts; types of companies; government regulation. 3 hours lecture. (003734)
Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units
Course Attributes: Upper Division

Grade Basis: Graded  
Repeatability: You may take this course for a maximum of 3 units  
Course Attributes: Upper Division

FINA 481 Investment Analysis and Policy 3 Units  
Prerequisite: FINA 351.  
Typically Offered: Fall and spring  
Principles of security valuation, the development of portfolio construction, and the relationship between investment principles, investment policies, and investment management. 3 hours discussion. (003735)  
Grade Basis: Graded  
Repeatability: You may take this course for a maximum of 3 units  
Course Attributes: Upper Division

FINA 487 Understanding the Securities Industry 3 Units  
Prerequisite: FINA 351.  
Typically Offered: Spring only  
This is an exam preparation course covering topics related to the General Securities Representative Exam (Series 7), the most commonly held registration in the U.S. securities industry. This course exposes students to topics currently covered by the Series 7 examination including (but not limited to) corporate, equity/fixed-income securities, local/state/federal government securities, derivative securities, and investment company products. This course is not affiliated with FINRA, the Series 7 exam provider, and does not exempt student from the examination eligibility requirements. Upon successful completion of the course, students earn a certificate representing their knowledge of concepts essential to passing the Series 7 Exam. 3 hours discussion. (021935)  
Grade Basis: Graded  
Repeatability: You may take this course for a maximum of 3 units  
Course Attributes: Upper Division

FINA 498 Special Topics in Finance 1-3 Units  
Prerequisite: Senior standing.  
Typically Offered: Fall and spring  
This course is for special topics offered for 1.0-3.0 units. Typically the topic is offered on a one-time-only basis and may vary from term to term and be different for different sections. See the Class Schedule for the specific topic being offered. For advanced students who wish to investigate business problems in specialized areas. Application of research methods. 3 hours supervision. (003746)  
Grade Basis: Graded  
Repeatability: You may take this course more than once  
Course Attributes: Upper Division

FINA 499 Special Problems 1-3 Units  
Prerequisite: Faculty permission.  
Typically Offered: Fall and spring  
This course is an independent study of special problems. You must register directly with a supervising faculty member. 3 hours supervision. (003747)  
Grade Basis: Credit/No Credit  
Repeatability: You may take this course for a maximum of 6 units  
Course Attributes: Upper Division

FINA 499H Honors in Finance 3 Units  
Prerequisite: Faculty permission.  
Typically Offered: Inquire at department  
This 3-unit course consists of a comprehensive research study and paper dealing with business policy and strategy, and the integrative and international aspects of business operations, especially as they pertain to the field of finance. A final written report and a public presentation of findings are both requirements of this course. Business Honors Program students must receive at least a B in this course for Honors credit.
