<td>The Turkish conquests of the 14th and 15th centuries, the diplomatically bedeviling &quot;Eastern question&quot; of the 19th century, the shots at Sarajevo that started the First World War, the creation and destruction of Yugoslavia, the war in Bosnia: conflicts in the Balkan peninsula have influenced and often dominated world affairs. This course traces political, cultural, and religious developments in the Balkan world. After an overview of the earlier centuries, the focus will be on the profound events and current problems of the 20th century. 3 hours seminar. (004543)</td>
