### SOCI 230 Women in Contemporary Societies 3 Units GE
**Typically Offered:** Fall and spring
Taking an in-depth look, this course explores women's lives in today's world across categories of class, race, ethnicity, sexuality, disability, and age. Students also discuss such topics as gender, body politics, violence against women, poverty, religion, and power as they relate to women. Special attention is given to social activism and emerging policies here in the U.S. and elsewhere. 3 hours lecture. (008968)

**General Education:** Social Sciences (D)
**Cross listing(s):** WMST 230

**Course Attributes:** Lower Division

### SOCI 240 Food Justice 3 Units GE, USD
**Typically Offered:** Fall and spring
This course facilitates the study of intersecting systems of oppression and inequity --in particular socio-economic class; race, ethnicity, and political standing; and gender-- all of which impact access to basic needs, especially healthy food. This course examines how food systems, geography, and social policy impact personal health and wellness, in the context of diverse communities. Particular focus is placed on community-based work to achieve food justice. Students are guided in the application of concepts and ideas in their personal lives. 3 hours lecture. (021867)

**General Education:** Social Sciences (D)
**Cross listing(s):** MCGS 240

**Grade Basis:** Graded

**Repeatability:** You may take this course for a maximum of 3 units

**Course Attributes:** Lower Division; US Diversity

### SOCI 298 Special Topics 1-3 Units
**Typically Offered:** Inquire at department
This course is for special topics offered for 1.0-3.0 units. Typically the topic is offered on a one-time-only basis and may vary from term to term and be different for different sections. See the Class Schedule for the specific topic being offered. 9 hours supervision. (021017)

**Grade Basis:** Graded

**Repeatability:** You may take this course more than once

**Course Attributes:** Lower Division

### SOCI 300 Classical Social Theory 3 Units
**Typically Offered:** Fall and spring
This course examines the emergence of classical sociological theory in its socio-historical context, with emphasis on the foundational ideas of Marx, Weber, and Durkheim that continue to influence sociological theorizing today. 3 hours lecture. (008955)

**Grade Basis:** Graded

**Repeatability:** You may take this course for a maximum of 3 units

**Course Attributes:** Upper Division

### SOCI 301 Contemporary Social Theory 3 Units
**Prerequisite:** SOCI 300.
**Typically Offered:** Fall and spring
This course critically examines the theoretical works of major contemporary sociologists, and studies how social thought is relevant to understanding modern life by applying theories to current social issues and our everyday lives. 3 hours seminar. (008989)

**Grade Basis:** Graded

**Repeatability:** You may take this course for a maximum of 3 units

**Course Attributes:** Upper Division

### SOCI 305 Maneuvering the Job Market with a Sociology Degree 1 Unit
**Typically Offered:** Fall only
You will explore some of the varied careers that sociology majors enter after graduation. You will learn how to effectively search for job openings, how to position yourself for those jobs, and skills for attaining the career you desire. 1 hour lecture. (020997)

**Grade Basis:** Credit/No Credit

**Repeatability:** You may take this course for a maximum of 1 unit

**Course Attributes:** Upper Division

### SOCI 310 Social Research Methods 3 Units
**Typically Offered:** Fall and spring
This course explores the logic and styles of sociological research, focusing on the methods of formulating research problems, the design of social research, and techniques for ensuring the quality and validity of data and conclusions. Both quantitative and qualitative approaches to research are examined. 3 hours seminar. (008969)

**Grade Basis:** Graded

**Repeatability:** You may take this course for a maximum of 3 units

**Course Attributes:** Upper Division

### SOCI 315 Statistical Analysis for the Social Sciences 3 Units
**Prerequisite:** SOCI 310. Recommended: MATH 105 or other lower-division statistics course.
**Typically Offered:** Fall and spring
This course studies descriptive and inferential statistics used for the social sciences. Emphasis is on the integration of statistical research designs and data, appropriate statistical analysis, interpretation of relevant findings, and visual presentation. 3 hours seminar. (008971)

**Grade Basis:** Graded

**Repeatability:** You may take this course for a maximum of 3 units

**Course Attributes:** Upper Division

### SOCI 327 Sociology of Religion 3 Units
**Typically Offered:** Inquire at department
This course explores the impact of religion on the individual and society, and surveys the major developments in the field. This includes interactive relationships between religion and other social institutions, and debates on controversial issues. 3 hours lecture. (008184)

**Cross listing(s):** RELS 381

**Grade Basis:** Graded

**Repeatability:** You may take this course for a maximum of 3 units

**Course Attributes:** Upper Division

### SOCI 330 Sociology of Gender 3 Units
**Typically Offered:** Inquire at department
This course examines gender as a social construct and its influences on men and women in families, school, work, politics, and culture. The focus is on how gender varies in relation to ethnicity, race, sexuality, and social class. 3 hours lecture. (005639)

**Cross listing(s):** MCGS 330

**Grade Basis:** Graded

**Repeatability:** You may take this course for a maximum of 3 units

**Course Attributes:** Upper Division
SOCI 335  Women, Work, and Family  3 Units GE, USD
Prerequisite: GE Oral Communication (A1); GE Written Communication (A2); GE Critical Thinking (A3); GE Mathematics/Quantitative Reasoning (B4) requirements, or consent of the instructor.
Typically Offered: Spring only
This course explores the history and experiences of women in the workplace and how family roles intersect with both paid and unpaid work, in and out of the home in the United States. Considered are the impacts of race, class, gender, and globalization on poverty, child and elder care, and workplace equity. International comparisons are drawn. 3 hours lecture. (008960)

General Education: Upper-Division Social Sciences (UDD); Equity, Ethics, and Policy Pathway; Gender and Sexuality Pathway
Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units
Course Attributes: Upper Division; US Diversity

SOCI 340  Sociology of Wealth, Class, and Inequality  3 Units
Typically Offered: Inquire at department
This course considers the unequal distribution of wealth, prestige, knowledge, and power in the U.S., and makes comparisons to other societies. How does inequality get reproduced from one generation to the next? How does inequality affect students today? This course examines the role of social networks, as well as the interconnections between class, race/ethnicity, and gender. 3 hours lecture. (008977)
Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units
Course Attributes: Upper Division

SOCI 341  Science, Technology, and Religion  3 Units GC, GE
Prerequisite: GE Oral Communication (A1); GE Written Communication (A2); GE Critical Thinking (A3); GE Mathematics/Quantitative Reasoning (B4) requirements, or consent of the instructor.
Typically Offered: Fall and spring
This course looks at the relationship between science and religion in specific cultural contexts, including Asia, Europe, and North America. It examines the different ways that theologians, sociologists, philosophers, and scientists have approached this relationship and highlights points of conflict as well as agreement with respect to knowledge claims, moral outlooks and other issues. In addition, the course explores the impact of scientific developments on the beliefs and practices of a variety of religions as well as the ways technology has been deployed by religious practitioners. 3 hours lecture. (022282)

General Education: Upper-Division Social Sciences (UDD); Science, Technology, and Society Pathway
Cross listing(s): RELS 341
Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units
Course Attributes: Upper Division

SOCI 346  Sport and Society  3 Units
Typically Offered: Fall and spring
This course examines the connections between sport and society, including socialization, values, education, deviance, the economy, and the media. Attention is given to the ways that gender, race, social class, sexuality, and the body influence sports, as well as recent controversial issues such as player and fan violence, and drug abuse among athletes. 3 hours lecture. (006942)
Cross listing(s): KINE 346
Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units
Course Attributes: Upper Division

SOCI 350  The Sociology of Racial Inequality  3 Units
Typically Offered: Inquire at department
This course examines relationships between racial and racialized ethnic groups in the United States by focusing on inter- and intra-group processes that shape social structures, culture, and intersecting identities. Students investigate social institutions and socializing agents that promote and/or hinder equity in access to resources such as income, education, and safe housing. 3 hours lecture. (022296)
Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units
Course Attributes: Upper Division

SOCI 354  Global Perspectives on Ethnicity and Nationalism  3 Units GC, GE
Prerequisite: GE Oral Communication (A1); GE Written Communication (A2); GE Critical Thinking (A3); GE Mathematics/Quantitative Reasoning (B4) requirements, or consent of the instructor.
Typically Offered: Spring only
This course studies relationships between ethnic groups outside of the U.S. Consideration is given to ethnic identities, interactions, competition, conflict over resources, cultural preservation, the development of nationalism, and state policies. 3 hours lecture. (005641)

General Education: Upper-Division Social Sciences (UDD); Global Studies Pathway
Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units
Course Attributes: Upper Division; Global Cultures

SOCI 355  The Sociology of African Americans  3 Units
Prerequisite: AFAM 170 or SOCI 100.
Typically Offered: Inquire at department
This course examines the historical and social experiences that have shaped contemporary African American life, such as slavery, exploitation, oppression, and resistance (for example, the Civil Rights movement, the Black Power movement, and Hip Hop). Strategies for researching African American experiences are learned through analysis of Black popular culture, male/female relationships, urbanization, religion, and institutional racism. 3 hours lecture. (000140)
Cross listing(s): AFAM 355
Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units
Course Attributes: Upper Division

SOCI 356  Genocide  3 Units GC
Typically Offered: Inquire at department
This course examines the issues of ethnic and national identity, ethnocentrism, the role of technology, and issues of power. The social impact of acts of genocide around the globe is explored, from the beginning of the 20th century to the present. Also considered are the moral implications of genocide, as well as individual, social, and corporate responsibility. 3 hours lecture. (002230)
Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units
Course Attributes: Upper Division; Global Cultures

<td>3 Units GE, USD</td>
<td>Fall and spring</td>
<td>This course views the environment as shaped by human societies, where competing values and interests play out. Controversial issues such as population growth, pollution, rapid climate change, water and land use, and noxious facility siting in minority, working class, and poor communities are examined. Attention is directed to public policies, corporate practices, and social movements and individual habits that promote solutions. 3 hours lecture. (008963) General Education: Upper-Division Social Sciences (UDD); Agriculture, Food, and Environment Pathway; Sustainability and Climate Change Pathway Grade Basis: Graded Repeatability: You may take this course for a maximum of 3 units Course Attributes: Upper Division; Sustainable Course; US Diversity</td>
</tr>
</tbody>
</table>
SOCI 433 Constructing Sexualities 3 Units
Typically Offered: Inquire at department
How do societies and individuals shape sexuality? This course investigates the relationship between sexual behavior and identities, and looks at the ways that sexuality is affected by science, politics, race, and social movements. Historical, subcultural, and cross-cultural examples are used to understand how these dynamics play out in our lives. 3 hours lecture. (009000)
Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units
Course Attributes: Upper Division

SOCI 440 Political Sociology 3 Units
Typically Offered: Inquire at department
This course focuses on the relationship between the state and society, and discusses concepts such as social divisions, legitimacy, and the state. Students examine contemporary political systems and processes of political change. Special attention is given to the role of political power on national, regional, and local issues. 3 hours lecture. (008962)
Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units
Course Attributes: Upper Division

SOCI 441HW Public Sociology -- Honors (W) 3 Units W, GW
Prerequisite: GE Written Communication (A2) requirement, SOCI 300, SOCI 310, senior standing. Open to sociology majors who have a 3.5 GPA, faculty permission.
Typically Offered: Fall and spring
We focus on applying sociological knowledge beyond the classroom. We practice explaining sociological insights to non-sociologists through the news, social media, and other public and private forums. We also learn to put sociology to use in our jobs, community, families, organizations, social movements, and other everyday settings. The main topic varies from semester to semester. 3 hours discussion. (009002)
Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units
Course Attributes: Upper Division; Writing Course; Graduation Writing Assessment

SOCI 441W Public Sociology (W) 3 Units W, GW
Prerequisite: GE Written Communication (A2) requirement, SOCI 300, SOCI 310, senior standing.
Typically Offered: Fall and spring
We focus on applying sociological knowledge beyond the classroom. We practice explaining sociological insights to non-sociologists through the news, social media, and other public and private forums. We also learn to put sociology to use in our jobs, community, families, organizations, social movements, and other everyday settings. The main topic varies from semester to semester. 3 hours discussion. (009001)
Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units
Course Attributes: Upper Division; Writing Course; Graduation Writing Assessment

SOCI 447 Social Movements 3 Units
Typically Offered: Spring only
This course examines the nature of protests and collective behavior, exploring the emergence, development, and decline of social movements. Students discuss the role of propaganda, public opinion, and social activism. 3 hours lecture. (008972)
Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units
Course Attributes: Upper Division

SOCI 465 Sociology of Work and Occupations 3 Units
Typically Offered: Inquire at department
Many people spend the majority of their waking hours occupied with work. This course examines the structure and organization of work and its influence on many aspects of our lives, with some attention to personal career interests. Topics include the social history of work, the meaning of work, labor struggles, relations within the workplace, socialization into occupations, and global changes in work. 3 hours lecture. (009003)
Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units
Course Attributes: Upper Division

SOCI 470 Medical Sociology 3 Units
Typically Offered: Inquire at department
How does society affect our health? This course investigates the relationship between inequality and health, the body, and mental illness. Additionally, we consider how wellness and sickness is socially constructed, how health care organizations and the medical professional function, and compare health care systems internationally. 3 hours lecture. (022219)
Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units
Course Attributes: Upper Division

SOCI 484 Youth, Crime, and Delinquency 3 Units
Prerequisite: Recommended: SOCI 384.
Typically Offered: Inquire at department
This course examines marginalized, deviant, and criminally active youth. Students consider how teen experiences and behaviors are labeled and treated differently throughout society. Social, historical, and legal perspectives are used to understand the impact of the juvenile justice system, policies, and trends on the lives of American youth. 3 hours lecture. (009018)
Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units
Course Attributes: Upper Division

SOCI 486 Sociology of Law 3 Units
Typically Offered: Inquire at department
This course explores the social context of law, legality, and society, concentrating on the numerous ways that law permeates all forms of social behavior. The focus is on the relationships between law, social institutions and social change, and how they interact with issues of race, class, gender, sexuality, and social justice. 3 hours lecture. (009016)
Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units
Course Attributes: Upper Division

SOCI 487 Sociology of Gangs 3 Units
Typically Offered: Inquire at department
This course explores gang activity in the United States, focusing primarily on contemporary street gangs. The social conditions that lead to their emergence are considered, as well as perceptions of the gang problem. Also considered are racial and ethnic differences between gangs and potential solutions to the challenges that gang present. 3 hours lecture. (008976)
Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units
Course Attributes: Upper Division
SOCI 488  Prison Industrial Complex  3 Units
Typically Offered: Inquire at department
This course is designed to introduce key issues of mass incarceration and the prison industrial complex (PIC), to critique efforts that uphold and those that attempt to dismantle it, and to study contemporary writings about the PIC. We focus on a number of ideas regarding the economic, social, political, and cultural consequences of U.S. mass incarceration. Additional objectives for this course include: clarifying core issues of the PIC; investigating its impact on society; examining theoretical and activist approaches to challenges of the PIC; studying ways in which race and racism, social class, gender, immigration policy, and capitalism are profoundly woven into the PIC; and practicing and improving written and verbal communication skills; and exercising analytical thinking. 3 hours lecture. (021926)

Cross listing(s): MCGS 488
Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units
Course Attributes: Upper Division

SOCI 489  Applied Sociology Internship  1-15 Units
Typically Offered: Fall and spring
This course is an internship offered for 1.0-15.0 units. Students must register directly with a supervising faculty member. This course applies the knowledge gained in the sociology major or minor to an actual work setting. Students should talk to a faculty advisor about what kind of internship setting would be good for their career goals and interests. 3 hours supervision. (009020)

Grade Basis: Credit/No Credit
Repeatability: You may take this course for a maximum of 15 units
Course Attributes: Upper Division

SOCI 489A  Applied Sociology Internship  3 Units
Typically Offered: Fall and spring
This course is an internship offered for 3.0 units. Students must register directly with a supervising faculty member. This course applies the knowledge gained in the sociology major or minor to an actual work setting. Students should talk to a faculty advisor about what kind of internship setting would be good for their career goals and interests. 3 hours lecture. (021449)

Grade Basis: Graded
Repeatability: You may take this course for a maximum of 15 units
Course Attributes: Upper Division

SOCI 490  Grantwriting for Sociology  3 Units
Prerequisite: SOCI 300, SOCI 310.
Typically Offered: Fall and spring
All not-for-profit and many other organizations are funded at least in part by grants. In this course, students learn and practice finding a range of private and governmental funding sources, developing quality grant applications, and managing grant projects. This is a hands on course where students gain practical skills for managing grant funded organizations. 3 hours seminar. (021405)

Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units
Course Attributes: Upper Division

SOCI 498  Special Topics  1-3 Units
Typically Offered: Inquire at department
This course is for special topics offered for 1.0-3.0 units. Typically the topic is offered on a one-time-only basis and may vary from term to term and be different for different sections. See the Class Schedule for the specific topic being offered. 1 hour seminar. (009023)

Grade Basis: Graded
Repeatability: You may take this course more than once
Course Attributes: Upper Division

SOCI 499  Special Problems  1-3 Units
Prerequisite: Faculty permission.
Typically Offered: Fall and spring
This course is an independent study of special problems offered for 1.0-3.0 units. You must register directly with a supervising faculty member. 3 hours supervision. (009024)

Grade Basis: Credit/No Credit
Repeatability: You may take this course for a maximum of 6 units
Course Attributes: Upper Division

SOCI 499H  Honors in Sociology  3 Units
Prerequisite: SOCI 441HW, faculty permission.
Typically Offered: Fall and spring
This is an independent study course in which Honors-in-the-major students work closely under the guidance of a faculty mentor. Honors students define an original research problem, complete a literature review, conduct research, and write an analytical research paper. Honors students refine their papers and make public presentations. 9 hours supervision. (009028)

Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units
Course Attributes: Upper Division

SOCI 589T  Apprenticeship in Teaching Sociology  3 Units
Prerequisite: Faculty permission.
Typically Offered: Fall and spring
Apprentices learn about teaching sociology through assisting an instructor with a specific course. Apprentices get individualized instruction from faculty and then apply what they have learned to the college classroom environment, where they have an active role in assisting with student learning. 9 hours supervision. (015872)

Grade Basis: Graded
Repeatability: You may take this course for a maximum of 3 units
Course Attributes: Upper Division
