Leaves of absence are granted to Credential and Postbaccalaureate students for a maximum of one year (two consecutive semesters). You must submit your request for a Leave of Absence (LOA) no later than the fourth week of the first semester of your leave. No University admissions application is required to return to Chico. However, upon return from your leave, you are responsible for 1) obtaining a class schedule, 2) registering for classes during the normal registration period for the semester you re-enroll, and 3) submitting transcripts from any schools you attend during your absence. If you do not return at the time you indicate below or have not received authorization for an extension, your enrollment rights will be terminated and you must reapply with a graduate application and pay \$55. Requests for extensions must be made in writing to the Office of Graduate Studies.

ELIGIBILITY

You must be in good academic standing at the time of the leave and when you return. Master's degree students are not eligible for a LOA, nor are dual majors (i.e. master's in Education and Credential). You must adjunct enroll through the Center for Regional and Continuing Education and are not eligible for a LOA. To be eligible for the LOA, you must be registered as a regular student beyond the fourth week of classes or in attendance during the semester immediately preceding the requested leave. If you are LEAVING WITHOUT COMPLETION OF THE SEMESTER AND WISH TO REQUEST A LEAVE FOR THE SUBSEQUENT SEMESTER, YOU MUST ALSO OBTAIN A WITHDRAWAL CARD and follow the procedures for OFFICIAL WITHDRAWAL from the University.
